

HOW TO ORDER LUNCHES ONLINE

FIRST BAPTIST SCHOOL

Order online:

Go to fbslunch.ahotlunch.com

Below the login, select "click here" to sign up as a parent.

Fill in your registration info and submit.

Check your email for a verification email and follow the instructions to verify.

Sign in and add each of your FBS children to the account.

Order each meal you would like for the month for each child. Elementary can also add a snack item when ordering each day's meal.

Go to your cart and pay to complete order.

*If using your phone, make sure to turn your phone sideways to be able to view everything when adding a child and ordering.

School domain/campus code: fbslunch

Order on the Hot Lunch app (iphone users only):

Search for HotLunch.com school software in the app store or use the QR code below to download the app.

Enter the domain/campus code above and select "create account".

Fill in your registration info and submit.

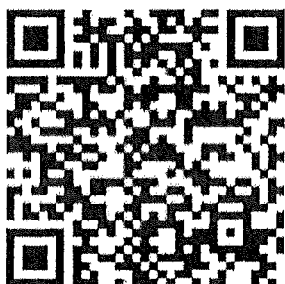

Check your email for a verification email and follow the instructions to verify.

Sign in and add each of your FBS children to the account.

Order each meal you would like for the month for each child.

Go to your cart and pay to complete order.

*If the app is not accepting the domain/code, delete and re-add the app OR order online.

Download iOS App
