Dear Parent,

Thank you for your interest in First Baptist School. The decision to send young people to a Christian school affords them an education based on a biblical worldview in an atmosphere with high moral, academic, and spiritual standards. To the glory of God, First Baptist School has served students and their families in this capacity for over 50 years.

As a ministry operated under the authority of the First Baptist Church of Rosemount, our school's primary vision is to have Christ be a part of every class, every chapel, and every activity. The Bible is at the center of all that we do here. We hold to the biblical belief that parents are the primary educators of the children that God has given to them, and we are honored to partner with those parents who desire to provide a thoroughly Christian education for their children.

It is our primary desire to lead every one of our students to a personal relationship with Jesus Christ which will guide them throughout all their lives. We then seek to assist in the development of each student's God-given abilities and talents for His glory. We encourage each child to discover God's purpose for his/her life. Our staff and faculty endeavors to model a faithful, disciplined Christian life and to demonstrate the love of Christ to our students.

Our school strives for academic excellence and achievement through a committed and caring faculty, an effective curriculum, and a sincere heart to see all children succeed spiritually, academically, and socially. First Baptist School is accredited through the American Association of Christian Schools.

Our staff realizes the privilege it is to assist parents in the Christian education of their children, and we pledge to do all that we can to ensure that your children succeed if you choose to have them attend First Baptist School.

Please let us know if we can answer any questions or assist you in any way during the application process.

For Christian education,
